

CompTIA Security+

45 Clock Hours

To better help working adults and Active Duty Military meet their educational goals, InovaTech College of Business & Technology offers a full range of certificate programs and courses geared toward helping members of the workforce stay current in today's demanding job market. Certificate programs offer working adults a convenient, flexible way to earn credentials for career advancement. Certificates are awarded upon successful completion of the required coursework. All course certificates are issued and mailed by the Registrar's Office.

WHAT IS THE COMPTIA SECURITY+ COURSE?

The CompTIA Security+ course assist students in preparing for the CompTIA Security+ certification exam for security knowledge mastery of an individual with two years on-the-job networking experience, with emphasis on security. The exam covers industry wide topics including communication security, infrastructure security, cryptography, access control, authentication, external attack and operational and organization security. CompTIA Security+ curricula are being taught at colleges, universities and commercial training centers around the globe. CompTIA Security+ is being used as an elective or prerequisite to advanced vendor specific and vendor neutral security certifications.
