

## **What is the CompTIA A+ IT Technician (220-602) Certification?**

The **CompTIA A+ certification is the industry standard for computer support technicians.** The CompTIA A+ certification exam has three separate tracks. For applicants intending to work in a mobile or corporate technical environment with a high level of face-to-face client interaction, potential job roles include IT administrator, PC technician, and Field Service Technician, as well as non-technical jobs that require understanding of computer repair issues. The exam code is 220-602.

Besides taking the CompTIA A+ IT Technician exam, a candidate must also pass the CompTIA A+ Essentials (220-601) exam to become A+ Certified.
